

CONTINENTAL  
TOWERS

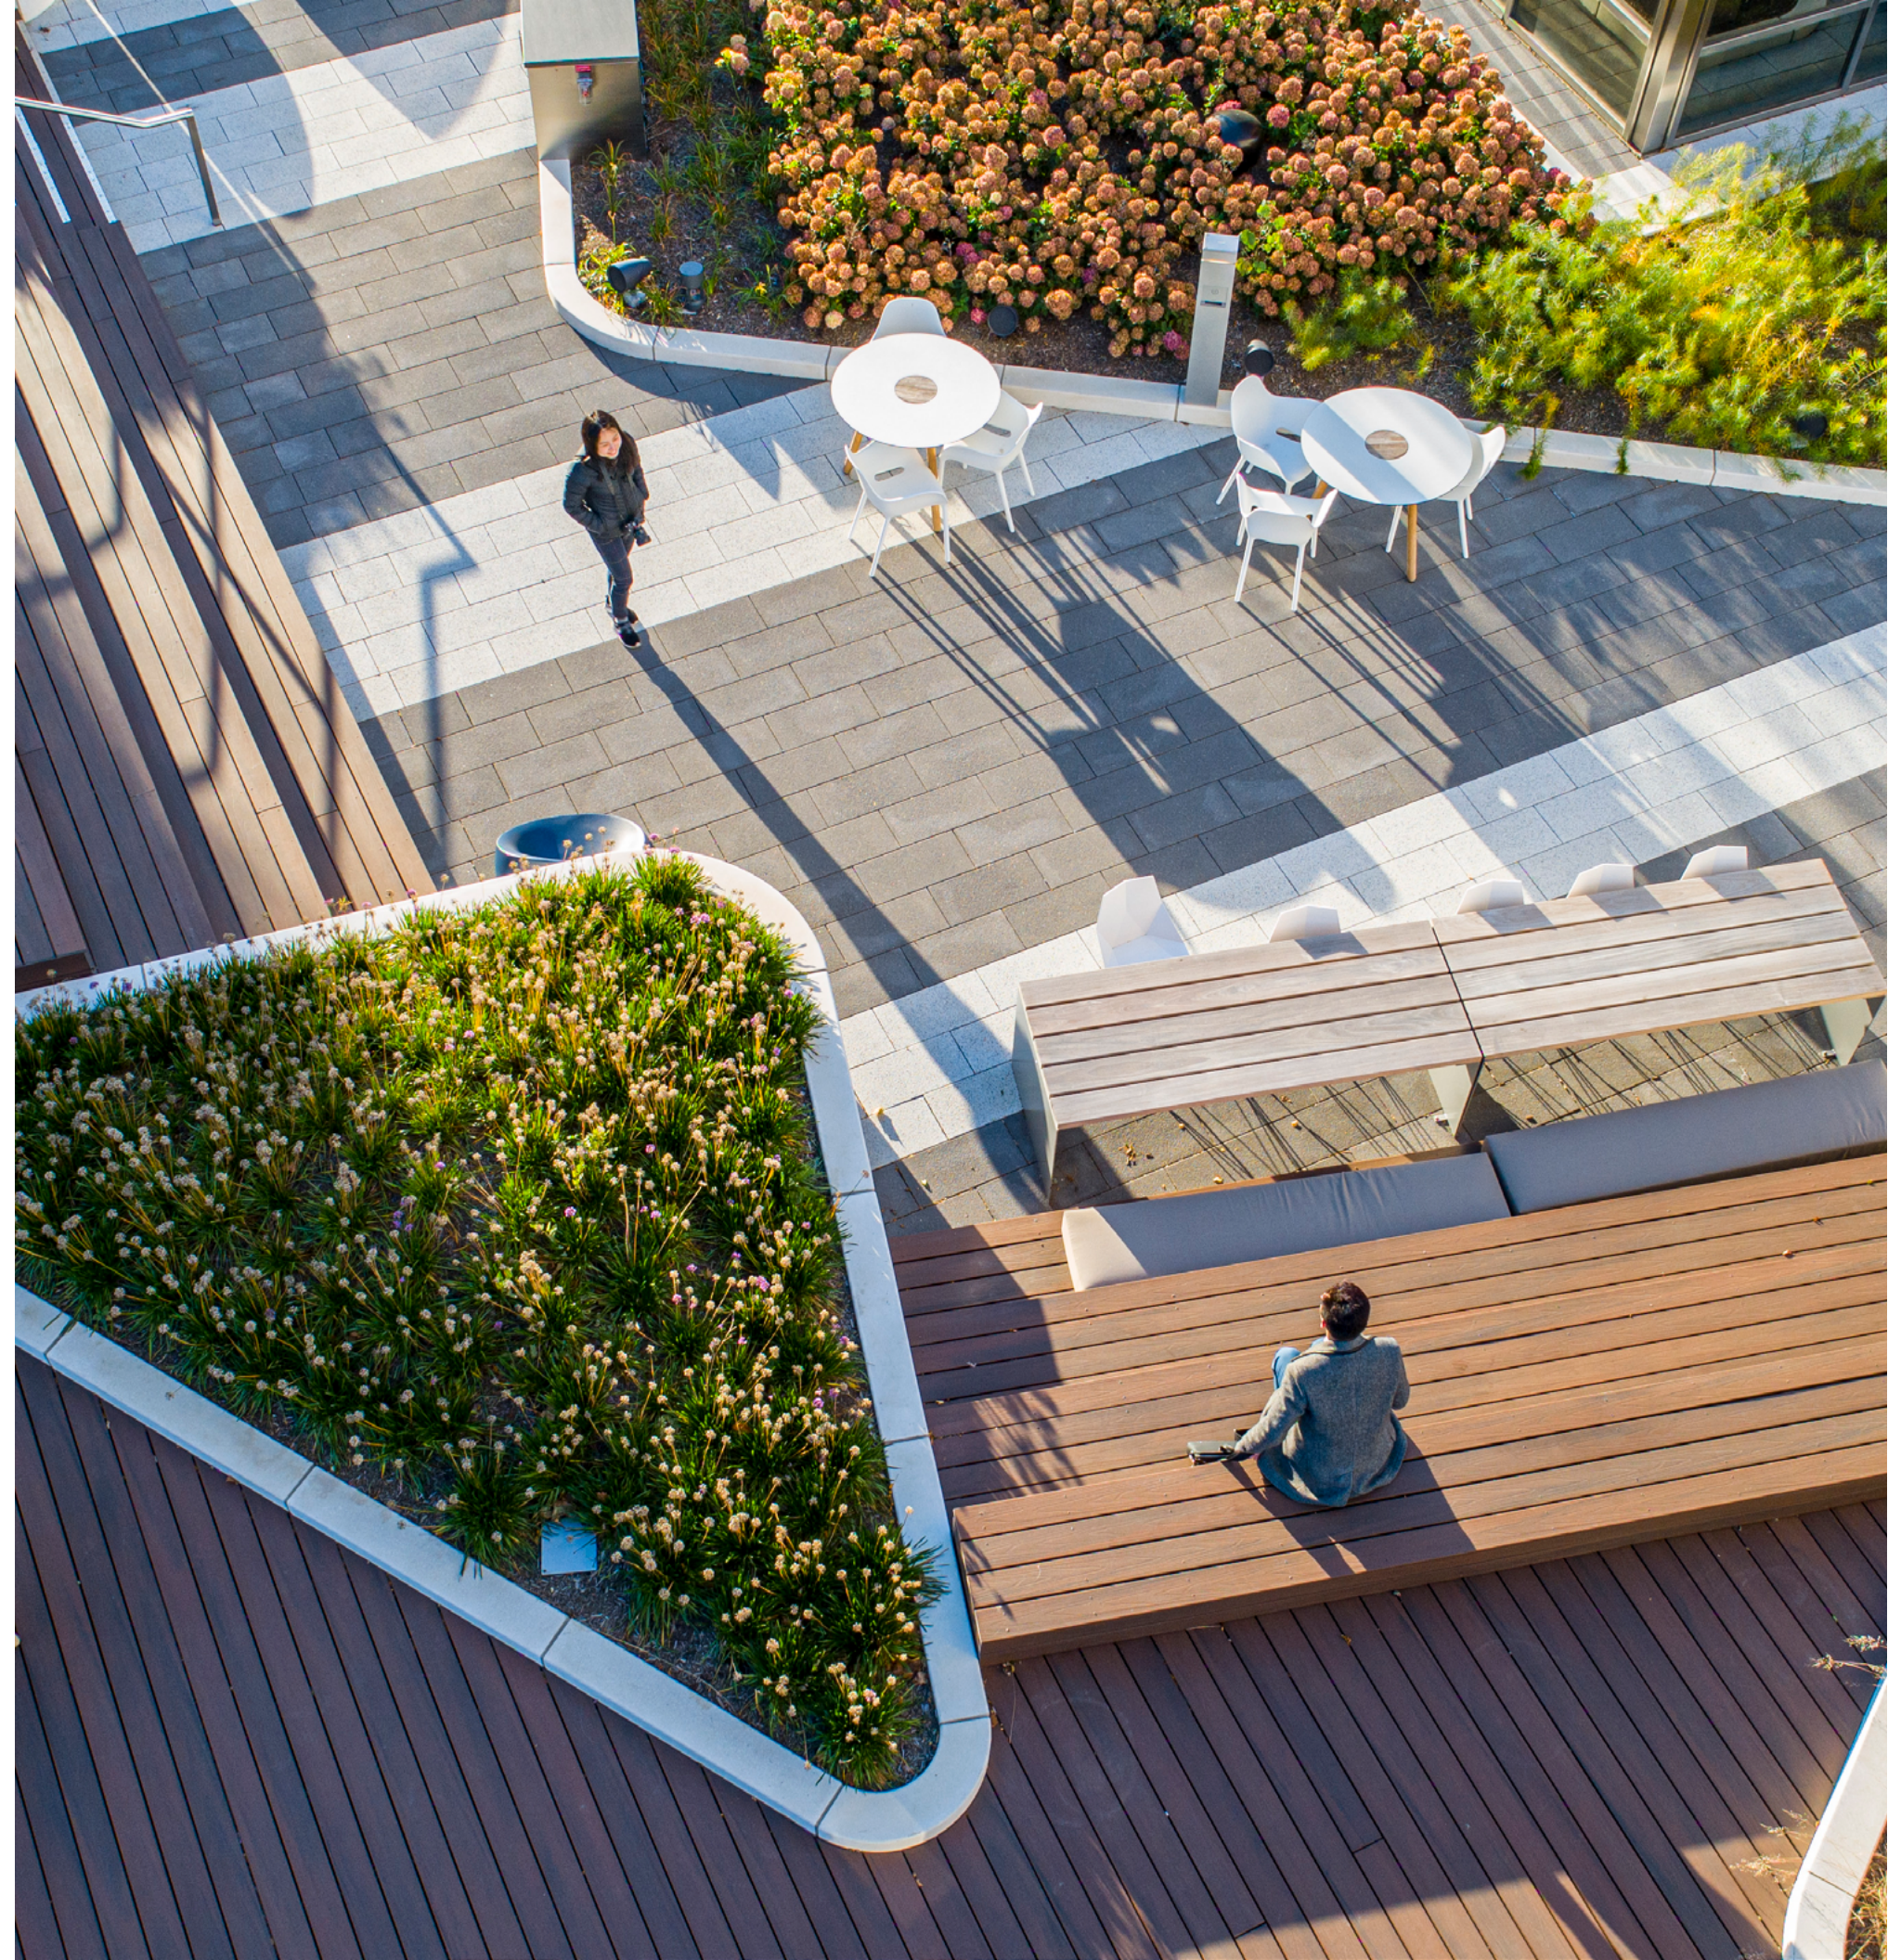

# A NEW WORK DAY

# A new work day starts here.

Continental Towers has been re-envisioned, bringing an ultra-modern amenity package to this 910,000-square-foot office complex. Comprised of three, 12-story towers, the property is surrounded by over one acre of outdoor live-work-play space — the largest in the Chicago suburbs.

Experience a modern work environment with wide open spaces for collaborating and connecting. Continental Towers offers tenants a new workday, everyday.

Outside Officing

# The Deck & The Meadows

Our sprawling outdoor space is so large we divided it into two sections. With over one full acre, it's the largest of its kind in the Chicago suburbs. The Deck and the Meadows are open all day for tenants to take advantage of working and meeting outdoors.

^  
The Meadows, a nod to our location in Rolling Meadows, is a large grassy area featuring lounge chairs and farm tables. It is the perfect location for an outdoor workout class.

>  
The Deck offers a barbecue area with multi-level stadium seating, gathering areas, fire pits, couches and outdoor games. Just like your backyard.

Creating Social Networks

# CT Social Club

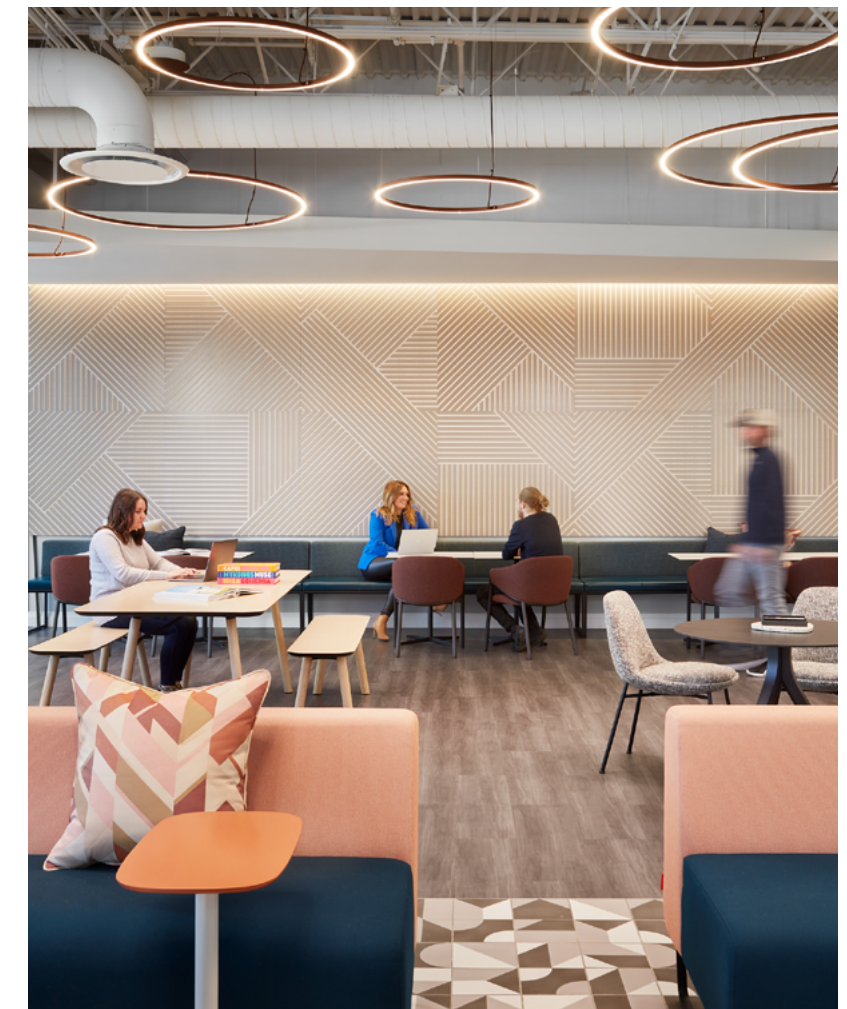

A room with a view. CT Social Club is the social hub of the property and buzzes with activity all day. With a view to the outdoors, it's a place for meals, meetings, working, or a social gathering. On chilly days, grab a seat by the fireplace to warm up.

^  
The bird is a symbol of freedom and endless possibilities — the perfect visual reference for busy social interactions, which is why we chose it for the logo.

>  
Meet, connect, network. CT Social is open all day. The adjacent café serves up made-to-order meals for breakfast and lunch.

Stay & Play

# The Game Room

This is the spot for tenants who love a little friendly competition. Pool, ping pong, shuffle board and foosball tables fill the room. Board games fill the tables. Open all day long, tenants can come by on their lunch break or after work.

With the tagline 'stay and play' tenants are free to listen to music or play a game solo or with others. Open all day.

Located just off the Hub, the central meeting point of the buildings.
